**** This is Book 1 of a 4 Part Serial. It is 20K words **** When her older sister suddenly disappears on the beautiful island of Bermuda, a young woman tries to discover what happened. But Emma Hilburn doesn't have many contacts and the police seem unwilling to help. So begins her search to uncover the truth surrounding her sister's disappearance but every way she turns leads to more unanswered questions. She also begins to fear for her own safety especially when she feels she is being followed by a mysterious man who seems to appear wherever she is. Will she get any closer to finding her sister?
