A murder in Orange County, California, puts private eye, Flint Osborne, hot on the trail to prove the innocence of his ex-fiancee. She is a suspect in the murder of Star Hansen, the man she was dating while she was engaged to Flint. In a seemingly unrelated situation, Flint is tasked to perform due diligence on the dress designer business owned by Melody Sparks. While Flint is evaluating Melody's business, he falls in love with her. As Flint's investigation continues, he is almost killed by one of the murder suspects. However, in the end, he uncovers a secret link between the lives of two individuals that ultimately solves the case.
