For most folks, creating a home where the decor reflects their personal style and taste requires more than just simply perusing the pages of a catalog. Unique style comes with successfully blending the old and new, the unexpected with the familiar - a white antique stove and modern chrome refrigerator placed side by side, or a 50s kidney-shaped coffee table accented by an Adirondack chair. Enter Found Style, the modern-day guide to the mix-and-match aesthetic. From vintage treasures to contemporary furnishings, family heirlooms to flea market finds, authors David and Amy Butler take a friendly approach to creating spaces that are courageously unique - and undeniably stylish.

Illustrated with 200 inspiring color photographs, Found Style offers up a host of innovative ideas, as well as tips for honing one's flea market savvy, and blending old and new with unexpected dash. Found Style is a celebration of creating eclectic personal style and a resource for those who live for the hunt.
