Is the Democratic Party the “Party of Death”? If you look at their agenda they are. IT’S NOT JUST abortion-on-demand. It’s euthanasia, embryo destruction, even infanticide—and a potentially deadly concern with “the quality of life” of disabled people.

If you think these issues don’t concern you—guess again. The Party of Death is roaring into the White House! In *The Party of Death*, Ponnuru details how left-wing radicals, using abortion as their lever, took over the Democratic Party—and how they have used their power to corrupt our law and politics, abolish our fundamental right to life, and push the envelope in ever more dangerous directions. In *The Party of Death*, Ponnuru reveals: How Hillary Clinton could use the abortion issue (but not in the way you think) Why the conventional wisdom about *Roe v. Wade* is a lie How the party of death—a coalition of special interests ranging from Planned Parenthood to Hollywood—came to own the Democratic Party How the mainstream media promotes the party of death Why Jesse Jackson, Al Gore, and other leading liberals gave up being pro-life How liberals use animal rights to displace human rights The Democratic presidential candidate who said that infanticide is a mother’s “choice” How doctors—and other health care professionals—are being coerced, by law, into violating their consciences The ultrasound revolution: why there’s hope to stop the party

of death Ponnuru's shocking exposé shows just how extreme the Party of Death has become as they seek to destroy every inconvenient life, demand fealty to their radical agenda, and punish anyone who defies them. But he also shows how the tide is turning, how the Party of Death can be defeated, and why its last victim might be the Democratic Party itself.
