Ranger Gus guides Julie, Grant, and their family on a tour of Great Smoky Mountains National Park in a charming tale designed both to entertain and educate. This book is an ideal tool for teaching kids about animal behavior, diet, and scats and tracks identification ?it's the perfect companion for in the car or in the field on your next trip to the Smokies. Fun illustrations of the animals and their scat and tracks supplement the lively story, and a quick-reference chart at the back will make field identification a breeze.
