***WARNING FROM THE AUTHOR:** Six Degrees of Lust is both an ensemble novel and the first installment in the By Degrees serial. This means there are several point of views and the story will continue. Thanks. New York City FBI team leader Samuel Shaughnessy lives for his immediate family and his job. After a marriage gone wrong he has stuck to a firm rule when it comes to relationships: he doesn't have them. Sexually active and emotionally unavailable keeps him satisfied, especially now that he is in hot pursuit of a serial killer targeting gay men. Former firefighter Machlan O'Bannon now manages a successful sports bar in Houston and after years of waiting he's ready to stand up and be the man he always wanted to be: out, proud and drama-free. His politically-aligned family wants to keep him locked in the closet, but Mac just wants to meet the man of his dreams.

One man is as high strung as the other is laid back. A chance meeting brings the two men together, and one night of passion ignites a fire neither can fight. Their lives are not only miles apart, but as different as day and night. They don't want to get involved...but will they be able to stay apart?
