For the first time EVER, come aboard a private jet with the flight attendant and see what it's like to fly around the world with the rich and famous! A never-been-done-before tell-all about life on the road with me- your private flight attendant.. I've been a corporate flight attendant for over 25 years. I began my dream of becoming a "stewardess" and ended up on private jets - flying all kinds of celebrities and well known persons of interest. My stories are all real, true and hilarious.They are lighthearted, fun, and will leave you curious for more. This book is a People Magazine on steroids! What current mega million film star won't eat brown M&M's? Who had the most fabulous jewels and furs? Who was the funniest actress, yet was the banned from the airlines? Who pulled out his "you know what" and bragged about it? What are the diva singers like? The rock stars, the famous football players, the Broadway stars, the mega billionaires, the famous authors, the wealthy politicians, the well known actresses? Come on board with me and find out! I'll tell you what a private jet is really like and all the tremendous perks I received from my fascinating passengers. All the amazing luxurious and opulent hotels and resorts I ended up in and the worst I came upon.

The ups and downs of life on the road, all while flying the rich and famous - your opportunity to go where only the flight attendant has been before...
