SPIRITUAL FORMATION – Th3 Simple Questions are not answers, they are the tools by which we can probe deeply into our life, love, loss, family, and culture. I focused the questions like a lens on a different part of my life, turned the lens slightly, and was surprised by what appeared. This book is an invitation to try it yourself. Use the three simple questions: “Who Am I?”, “Why Am I Here?” and “What Do I Want?” as prompts for journaling and deep reflection. At the core of faith are questions, not answers. The Spirit that forms the answers forms the one that answers the questions as well. The writing is an immediate act of composition - free from all rules and artful manipulation. It is intimate and personal, honest and dynamic using unconscious creativity – seeking to affirm the Human Spirit. Over 10k readers visited the blog from January - June 2014. Monthly readership has now doubled - from around the world. GOODREADS REVIEWER Mark Krausman said "I'm glad this book found me." READERS' FAVORITE REVIEWER Jack Magnus gave "Th3 Simple Questions" "5-stars" and said, "(it) is something to be read slowly and savored."
