From the Author "With great disposable income comes great responsibility. It is now easier than ever to clutter our homes, causing us stress and anxiety. I wrote this ebook as an answer to the ever-increasing demand in solutions for a healthier, simpler lifestyle. Reading this ebook is your first step to a more organized and happier life." About the Author Caitlin Kaur is an interior designer from Sonoma, California.

She helps clients visualize, build and take care of their dream homes. Stand by for more titles from Caitlin, soon to be published exclusively in the Amazon Kindle store.
