Allie Whitman and Connor Norman loved making the devils of the corporate world pay. Now, it's their turn. And the price could be their lives. "I didn't have a choice. I didn't." That's what Allie Whitman tells herself every night as she lies awake. Sometimes she even believes it. But mostly she knows deep down that her inability to make a hard choice has put millions of lives at risk, including her own. Now the only one who can help her is her lawyer, Connor Norman. Unfortunately, Allie's actions have destroyed Connor's trust in her—and may destroy much, much more.
