From USA Today Bestselling Author Kristin Wallace. Noelle Joy Robinson should have been spending Christmas with her husband. Instead, she's become the face of jilted brides in Covington Falls after her fiancé runs off with one her bridesmaids on her wedding day. To escape the constant sympathy, she decides to leave town and start over in a new city. But when her father has a health crisis, it falls to Noelle to save the family business and Christmas for the entire town. Soon she's knee-deep in parades, dealing with a cantankerous ass (the animal kind) and negotiating disputes with Santa's elves. But a different kind of animal is threatening to disrupt her peace on earth. An angel named Michael, the brother of the man who broke her heart. Michael Campbell steps in to help Noelle with the holiday festivities, mainly out of guilt. He can't help feeling he had a hand in ruining Noelle's wedding and helping her save Christmas is his way of making amends. But soon an obligation turns into so much more, leaving him to wonder if Noelle could ever see past his last name and give him a chance. In the end Noelle and Michael will have to move beyond past heartbreak to find their holiday happy ending...By Christmas.
