"Theories about diversity don't mean anything until you actually put them into practice. Now with Grant and Sleeter's Fourth Edition of Turning on Learning, you'll learn how to apply the principles of multicultural education in your classroom." This practical on-based companion to Sleeter and Grant's Making Choices for Multicultural Education: Five Approaches to Race, Class, and Gender contains a wealth of ready-to-use on plans covering a variety of subject areas for grade levels K through 12. The Fourth Edition features additional on plans and new resource material. All of the remaining on plans were updated.
