Their leader has been captured and they know not her fate nor how to help her. In the final book of The Shadows Trilogy, Colt and his friends will face the unknown and battle the unseen. Willing to do whatever it takes to bring Jane and Elana home safely, the gifted and average alike will stop at nothing to see their mission through. Bringing down a horrific and abusive organization in the process will satisfy not only their longing for true freedom, but also their desire for revenge. However, one wrong move could cost them everything. Jane is within the enemy camp and struggling to keep her sanity.

She knows the difference between fiction and reality, but for how long? The end is near, and the victor will either save the world, or leave it in pieces.
