Pocoyo—Spanish for "little me"—is a curious, fun-loving, friendly little boy who's always into something new. Whether he's on a quest with his friends in outer space or just cleaning up his building blocks, every day is an adventure. Join Pocoyo and friends as they learn through laughter! Perfect for little hands, this chunky, durable cased board book has a die-cut window on the cover. Pocoyo is building with his blocks—they are yellow, blue, and orange. Here comes Pato and Elly to help. Pato is wearing a green hat and Elly is riding a pink scooter. The friends are building a lovely tall tower! But, oops, here comes Loula with her red ball. Pocoyo makes learning the names of first colors fun and interactive.
