A spoiled heiress masquerading as a shipwrecked governess, a widow with a tarnished reputation seeking her lost son, and a debutante pretending to be married... These very different Regency heroines dare everything for love! Read three full-length romances in the one volume: 'Daring Damsels: Regency Collection. LADY SARAH'S REDEMPTION A spoiled heiress who assumes the identity of a shipwrecked governess falls in love with her employer who has dark secrets of his own. LADY FARQUHAR'S BUTTERFLY A beautiful widow whose reputation has been wrongly tarnished embarks upon a dangerous charade to reclaim her child, burdened by a terrible secret that threatens the future of the man with whom she accidentally falls in love. A LITTLE DECEPTION A determined miss who pretends to be married in order to save the family plantation is framed by a jealous adversary for a series of diamond thefts. Now she must convince the handsome rake who believes she tricked him into marriage that she is innocent.
