KINFOLK by Lee Ann Sontheimer Murphy The last thing that writer Katherine Vaughn expects when she flees California for her native Arkansas is to fall in love, especially not with a former Navy SEAL and her cousin's widower. Nor did she expect that the thugs seeking retribution for her late husband's drug debts would follow her back to Arkansas. As she and Ben Hatfield fall in love, their happiness faces trials that include an unexpected illness and his grandfather's death. But Katherine has little time to mourn her own losses as the California drug lord's minions kidnap her in a final effort to collect on the debt. Learn more at www.LeeAnnWriter.weebly.com
