Dimitri Sullivan is The Mortician at the Phantom Creek Mortuary. He's the go to guy when it comes to preparing a body for burial. No one can do the job like he can. Even the worst of injuries don't faze him. You name it he can fix it.

He's a miracle worker. However, when it comes to romance people tend to run from him screaming. Being a Komodo dragon shifter just doesn't do it for them. Mufasa "Miles" Deidrick is your average lion shifter and a closeted gay man. When his sister dies unexpectedly his parents are too distraught to make the funeral arrangements, leaving the job to him. He doesn't expect to find his mate. Now, he's faced with a situation he has to come to terms with. One being that his mate is a man and the other? He has to come out to his parents. Procrastination won't help him this time instead it may only hurt him. (Warning: Contains sexual content, Man on Man action, and explicit language not suitable for those under the age of 18.)
