Laurel Young needs a plan, and fast. After her reality TV boss has a major meltdown, not-so-funemployment seems inevitable - unless she can pitch the idea of a lifetime. When she sees Flint McKay's audition tape - flanneled, handsome as hell, and building a house with his own two hands - she knows she's found her secret weapon. The women of America are going to love him, especially if she can convince him to try building without the flannel shirt. Only problem is, Flint didn't make that tape - and he has zero interest in trading the wilds of Western Massachusetts for the bright lights of Hollywood. But Laurel isn't the kind of girl to take no for an answer. Soon, she's knee-deep in rustic charm, and getting plenty of hands-on experience. And it turns out, this city girl and country guy may have a few things in common after all, like crazy hot chemistry, a wild side, and a weakness for good whiskey... But can their behind-the-scenes connection last once the world falls in love with Flint? And will this be the big break both of them need - or leave them in the dirt? Find out in Lila Monroe's fun, sexy new novel! *This is a stand-alone novel with HEA. No cliff-hangers!*
