A definitive new history from internationally known Saab aficionado Lance Cole, Saab Cars - The Complete Story offers a detailed insight into the company's story, from the prototype UrSaab in 1946 to the end of production in 2012. It is a fitting tribute to the spirit and ethos of Saab design and engineering. Explains in detail the design and engineering history of Saab's pioneering work in aerodynamics, form, function and safety. Investigates the history and founding of Saab. Provides in-depth analysis of Saab's early cars and their engineering and design features. Profiles key figures in Saab's manufacturing and rallying success. Charts the days of the 'Save Saab' campaign and the battle to survive, and details the events that led to the company's demise. Includes recollections from Saab workers and those on the factory floor. Stunning visual coverage of the Saab models, with rare archive images and design sketches.
