No Way OutThe Alaskan tundra - a land whose pristine beauty was overshadowed by the darkness of winter, the danger of corruption. Her career hung in the balance, her life was on the line, and, after one reck moment in a stranger's embrace, Lauren Fotheringay's heart was, too.... He was a tribal cop working undercover as an oil rig roughneck to catch a corporate thief and win back his FBI job. But Seth Adams hadn't counted on murder. Hadn't been prepared to fall for his prime suspect. Instinct, however, told him the beautiful geologist was innocent, a mere pawn in a deadly plan.

And as the danger around them escalated, the passion between them intensified as they raced against time to survive....
