This collection includes the first two books in the Super Happy Party Bears chapter book series! In Gnawing Around, the animals of the Grumpy Woods are even grumpier than usual when a new family of beavers moves in. Their dam is drying up the river! Mayor Quill decrees they are not welcome, but the bears disagree. Can their dance party save the day? In Knock Knock on Wood, Wallace Woodpecker's pecking annoys the animals of the Grumpy Woods, but the Super Happy Party Bears think he's beating a nice rhythm for dancercise! Can the bears help the rest of the Grumpy Woods appreciate his talents? Don't miss the next two parties in Super Happy Party Bears: Staying A Hive! and Super Happy Party Bears: Going Nuts!
