Delaney. □ "You got a last name to go with that?" he asked.

□ She gave him a cool stare. "Not one that I'd care for you to know." Fired on Christmas Eve. Single mom Delaney Anderson might've lost her job as maid for the huge Double Cross Ranch, but she still has her dignity. Until she has to return to the ranch to find her lost wedding ring. No big deal. With the well-attended Christmas Ball happening, no one will notice her. A bombshell in a little black dress. Rancher Cash Trudeau notices Delaney the moment she walks onto the ballroom floor. He can't deny the instant attraction that sizzles between them - or that she's giving him hot and cold signals. Cash has no idea who she is - or that he fired her. Can Delaney help it if she has a taste for revenge...? Three couples.

One unforgettable Christmas. The Snowbound in Sawyer Creek series includes these books: *Soldier Under the Mistletoe *The Nanny's Christmas Wish *The Rancher's Unexpected Gift
