Internationally acclaimed psychic medium John Edward takes his talents to new levels and new countries in his fourth book, *AFTER LIFE: Answers from the Other Side*. Join John and a documentary crew “Down Under” in Australia and across the United States, where he demonstrates once again that grief, healing, and hope are eternally intertwined and universal. John answers your most often-asked questions about how the mediumship process works on the “other side,” while taking you on the inside of his own personal life as a husband and new father. He shares what he’s learned through his own recent, personal losses and demonstrates that you’re never too late to forgive—and never too far away to love. In *After Life*, as he does on his highly rated hit show, *Crossing Over with John Edward*, John will also connect you with celebrities both here and on the other side—because, as John happily notes, there are no red-velvet ropes or VIP sections over there!
